Approved For Release 2009/07/23 : CIA-RDP83-00418R000300290007-6

Attachment: 2 ~~charts~~ ^{sketches (on one page)} ~~none attached~~

This is UNEVALUATED Information

1.

[REDACTED]

~~[REDACTED]~~

2. A destroyer, double-funneled and with two open-framework masts, followed, as shown in the attached diagram, by an undetermined number -- perhaps seven or eight -- of smaller vessels, [REDACTED]

[REDACTED] mine-sweepers, traveling in the sea ~~and~~ ~~marked on the map~~ and firing shots at a target in the sea towed by a mine-sweeper-type vessel. [REDACTED]

[REDACTED] In

general, they were quite conventional.

3. Several jet planes, four or five in a flight. The silhouette was of the type shown on diagram. [REDACTED] later [REDACTED]

the same planes descending one by one and heading [REDACTED]

[REDACTED] toward a probable landing field, which [REDACTED]

is located beyond the urban concentration.

4. [REDACTED] several antiaircraft discharges [REDACTED]

against a sleeve target towed by a jet plane. [REDACTED]

5.

[REDACTED]

6. In the Odessa port [REDACTED] three steamships [REDACTED]

[REDACTED] moored at points indicated, which were loading rails bound
